

Learning Preview Clarence Class

IDEAS FOR LEARNING AT HOME

- Go for a walk and talk about the seasonal changes you could see. You could collect autumn things to bring into the classroom e.g. conkers, acorns, leaves, twigs.
- Have you got a height chart? Measure the family to find out who's the tallest and the smallest. Can you put your family's shoes in order from biggest to smallest?

Autumn Term 1 2015

All About Me

Dates - WB 21st Sept - 19th Oct

Miss Passey

Supported by Mrs Wackett and Mrs Dale

How our learning will link to Clarence class children's lives, interests and experiences

- The children are so proud of eating lunch at school! We have been learning that it's good to try new things and to keep going and not give up! Talk to your child about their lunch time choices. *Did you try some new foods? What foods are good for our bodies?*

How our learning will link to the wider world

- Have you been to the dentist or the doctor? How do they help to look after our bodies? How do we take care of our bodies (washing, eating healthy food, sleeping at night time)?
- Soon the children will be taking reading books home. Practise reading one or two pages every day and see what letters you can spot on buses, road signs, menus etc.

Fine Motor - using your fingers!

Use your fingers to:

- Roll play-dough
- Take off and put on your shoes
- Build Lego models
- Use a knife to cut your food
- Practise writing your name or other letters. Remember to hold your pencil between your finger and your thumb.

Making New Friends!

The children have had new learning partners and are getting to know all the children in their class!

Ask and discuss with your child: Who have you played with at school? Have you made any new friends? How could you be a friendly member of your class?

PLEASE READ (or borrow from the library)

Funny Bones by Janet & Allan Ahlberg

Information books about our bodies

LOOK OUT FOR:

Tins and non-perishable items to collect for our Harvest donation before our Harvest Assembly on Thursday 8th October! We will let you know exactly what to bring in through the newsletter.

Learning Preview Heartwood Class

Autumn Term 1 2015

All About Me

Dates - WB 21st Sept - 19th Oct

Mrs Pengelly and Mrs Fenner
Supported by Miss Earnshaw
