HAPPY BIRTHDAY!

Jamie B, Arjit, James G, Isaac,
Miss Freeman,

Schoolcomms

What a success! We were really happy to receive lots of emails this week telling us how straightforward the new consultation evening booking service was to use. If you have not done so already please book your child's appointment (you just need their name and date of birth along with your email address).

THE BOOKING SYSTEM CLOSSES AT 9AM ON MONDAY.

Year 1 Assemblies

The Year 1 children made their parents and the staff at school very proud this week. Churchill Class showed us how they answer the register in lots of different languages and explained how to solve maths number sentences using Numicon. Spencer Class played instruments and sang their 'Good Morning' song. Mitchell Class explained what they have learnt in Focus Tasks and read out some bossy sounding instructions. All three classes invited parents to join in with '5 a Day' the daily activity programme to boost energy and get our brains ready for learning. A big well done to the parents in Mitchell Class, the only parents to accept the invitation and join in with such enthusiasm!

Attendance

We are really pleased to report that the whole school attendance figure for the autumn term is 97.4%.

Musician

Wow! Thank you for spreading the word! So far we have had five applications for a musician. We will keep you updated as we have more news.

Parent Support

The Wellbeing Service is an NHS service based in Hertfordshire, offering practical support and talking therapies to adults from 16 years onwards. The service aims to support adults towards achieving better psychological health and well-being. For further information please see:

Pudding Menus

The school Council meeting between Mrs Banahan and the School Council had to be postponed this week. We have rescheduled this for next week and will update you on the outcomes in next week's newsletter.

Home Learning

A couple of weeks ago some parents came to meet Miss Woolfson to help review our Home Learning Policy. We have been working on this at school and will share the updated policy with you next week.

Maths Week

Maths week is the week after half term; Monday 22nd February. Please remember to collect your 1p and 2p coins. More information to follow...

Hooray! To celebrate our 110th Birthday, we will be having a whole school photo on the 16th of March. To coincide with this we have moved the class photos to this day. We have been exploring lots of other ways to celebrate our 110th birthday. If you have any brilliant ideas please let us know.
