## Birthdays this week

Richard, Annabelle, Elliot, Laurence, Eva L,  
Mrs Brown, Mrs Randall

In our KS1 music assembly this week we have been learning about the piano. We were very lucky to have 2 piano performances; Nicholas (Ryder Class) played War Drums and Alex C (Ryder) played Twinkle Twinkle. They sounded great and have obviously been practising hard.

Thank you to our parent volunteers who are doing a fantastic job cooking with our children.

Please can we ask for you to return any pots with lids to the office and if you would like to donate any further small pots with lids, they will be gratefully received!

We still have some free child tickets to the Hertfordshire County Show, please come to the office if you would like one. They will be given out on first come first served.

### Please Take Care

One of our parents was hurt after a collision with a scooter this week.

To keep everyone safe please ensure children push their scooters while on school property.

Thank you

### App of the week

i motion

i motion is a fantastic app to help you start making your own short films. Stop start animation at the tip of your fingers!

### Year 1 Visit to St Albans

Year 1 have been exploring structures as part of their Design and Technology learning. On Thursday morning the children went for a walk to town to look closely at the different buildings and were so inspired they built a whole model village outside in the afternoon. Thanks to the volunteers who made this visit possible.

Read on to find out what the children had to say about the visit:

“It was good fun and I liked the clock tower” Rosie

“We saw lots of different buildings. My favourite was the clock tower.” Charlie

“The best bit was seeing the clock tower because I haven’t seen it before.” Scarlett H

“I liked the stained glass windows in the old church.” Thomas B

“My favourite was the church (St Peters) because it was so tall,” Eilidh

“It was fun because I didn’t know all these buildings have so many facts.” Thomas

“I had fun, saw Tesco.” Nahemiah

Remember there is a cake sale and get together on Tuesday 24th May at 2.30pm in the hall. Please bring donations of cakes to the office on Tuesday morning.

Thank you!

Please make sure that all school uniform including water bottles and after school club clothes are named.

#### Class Assemblies

This week Heath, Verulam and Clarence classes shared their learning in a special assembly just for their mums, dads and grandparents. The audience were given a special **insight to their children's day at school and were** entertained with singing, photos and really clear explanations about what their children love learning most at school. Standing up to talk to a room full of adults can be a daunting prospect and we were very proud of how confident the children were. Thank you for coming to support the children, thanks too to the staff for all their hard work.

Next week Heartwood Class will have their turn.

This week Year 1 have been talking about... feelings.

They have used bright colours to create gorilla pictures in the style of Andy Warhol. The children talked about the colours they chose and how they made them feel. They talked about excited, sad, shy, worried. If you would like to pop in and take a look then please come to the office after school.

79% of parents have registered and downloaded the Gateway App and are ready to receive messages from school. If you are yet to do this then you need to do so as soon as possible. If you are experience any problems please talk to Dawn or Serena in the school office.

#### PTA Newsletter

Please remember to read the PTA newsletter to find out about all of the exciting events that are taking place.
