How our learning will link to Heartwood class children's lives, interests and experiences

- Happy Half Term, we hope you have a lovely holiday. *What celebrations do you have in your house? Birthdays? Bonfire Night? How do you celebrate them? Do you use lights to celebrate e.g. diva lamps, birthday candles? How do you keep safe?*
- As children experience the changing season you may like to take them on a walk in the woods. *What colours do you notice in the leaves? What trees, plants or birds can you name?*

How our learning will link to the wider world

- Have you seen fireworks in the sky? What colours are they? Do you see them in the day time? Why not? Think about what you need to wear outside. How has the weather changed?

Fine Motor - using your fingers!

Use your fingers to:

- Practise putting on your hat, coat and gloves in preparation for winter
- Do up the zip, poppers and buttons on your coat
- Practice turning sleeves the right way around

Reading Books

Thank you for remembering to practice reading with your child every day and make comments in their white reading record. Please remember to put these into your child's book bag every day.
