

Learning Preview Year 2

Autumn Term 2

Sparkly Lights and Celebrations

Our Themed Learning:

We will be learning about celebrations, festivals and cultural days from around the world. This will include Thanks-Giving, Guy Fawkes Day, Remembrance Day, Diwali and how Christmas is celebrated around the world. The children will be learning to ask questions, investigate, record and explain.

Learning in the Core Subjects

- In English we will be learning to write poetry, focusing on rhyming couplets, similes and alliteration. We will then move our learning on and explore how to write explanation texts.
- In Maths we will be focusing on using the Numicon, exploring weight, fractions, time, and deepen our understanding of multiplication and division.
- In Science we will be finding out about electricity. We will make circuits, and explore where electricity comes from.
- In Computing we will be learning to drag, drop and format text, we will then grow our brains by creating short animations.

Have you read?

- Poems for the Very Young
- Mustard Custard Grumble Belly and Gravy
- The Sprog Owner's Manual
- How Santa Really Works

Vocabulary

- Explanation text- writing that explains how something works
- Rhyming couplets - two lines that rhyme with each other
- Similes- describing something using like or as 'the firework is as sparkly as a diamond'
- Alliteration - using the same sound at the beginning 'bright, blue, bauble' - using this to describe

Key questions...

- How do people celebrate?
- What celebration is special to you, why?
- Why is electricity useful?
- What might life be like without electricity?
