

# Learning Preview Clarence Class

## Summer Term 2

### Ourselves, Our School, Our City

**Dates: 13<sup>th</sup> June - end of Summer Term**

How our learning will link to Clarence class children's lives, interests and experiences

- Our children are very excited that lots of their grown-ups work in London in such a big city. Many children have visited London and would like to learn more about the buildings, transport and events that are there.
- We have grown so much this year! We have talked about growing and how to stay strong and healthy. *How do you look after your body? Are you staying safe from the sun? How do you stay safe on the roads?*

How our learning will link to the wider world

Have you got any trips planned to London? If you were going how are you travelling there? What would you do - visit a museum, watch a rugby match, go to a show, see a monument?

Can you think of any other cities you have visited? What are they like? Do you have any maps you could share with the class?

#### Healthy Living Week

We will be learning how to keep safe by practising crossing the road, exploring real cars and meeting our PCSO. The hand washing machine will demonstrate if we are removing all the germs! On 'Green' day we will be managing without electricity and water from the taps. A Guide Dog puppy walker will be visiting us too.

#### Sport's Day

Following the St Albans Fun Run in Verulamium park on 12<sup>th</sup> June we will be practising our athletics for our Foundation Stage Sports morning on Tuesday 28<sup>th</sup> June from 9.15am. The children will be taking part in running, ball skills and some out of the ordinary races. Check the Newsletter for specific class times.

Moving to Year 1 - The children will be visiting their new classes and meeting their new teacher! Talk to your child about how they feel - a bit excited, nervous and happy?

#### Bernards Heath 110<sup>th</sup> Birthday 13<sup>th</sup> June - 17<sup>th</sup> June

We will be celebrating Bernards Heath's birthday by finding out what school was like 110 years ago in our History day by dressing up as children from 1906. Do you have any old memories of your school days? Share them with your children. Please bring in any photos of family members in their school uniform (we will be comparing them to the even older ones from when Bernards Heath first opened).

Come along to our whole school picnic on Friday 17<sup>th</sup> June at 4.15pm. Bring a blanket, food and enjoy celebrating with us with live music, puzzle workshops and a story telling tent.

Get baking and bring in some cakes to be judged in our Bernards Heath baking competition.
