

LEARNING PREVIEW

Heath Class Summer Term 2

Arts Week - Olympics!

6.6.2016 - 10.6.2016

How our learning will link to our children's lives, interests and experiences

- The theme for Arts Week is 'Olympics' -. We are focusing on Brazil and Rio but we would love to celebrate the links the children have to different countries and would welcome photographs, artefacts or visitors to talk about different countries - please send in anything to share with us or talk to us about coming in to visit
- During circle time, the children will be encouraged to share their news from their holiday and ask questions to one another.
- Continuing with last half term's learning we have caterpillars that are just about to form a chrysalis. We will continue to talk about the life cycle of butterfly and release the butterflies into our new Wild Garden.

How our learning will link to the wider world

- During Arts Week we will have a go at sewing, singing, story-telling, art with our grown-ups and art with our friendship groups.
- In Heath Class we will focus on collaging and craft. We will be testing out our ideas in lots of different ways and using many different materials and textures.
- We will be making bookmarks, carnival collages and carnival masks.
- We will be colour mixing and painting a parrot full of bright colours. We will add different textures to our parrot paintings.
- *Please share any art from home with us in Nursery.*
- We will be using Samba style music to feel the beat and play tapping and shaking instruments to.
