17th-21st October

SCIENCE WEEK

What is Science Week?

- Science Week is an exciting week where we are 'off timetable' and learn lots of new things. This time our week will revolve around the theme of 'water' we will be carrying out lots of WOW experiments, planting, growing, learning about the conservation of water, and learning about habitats for sea and fresh water creatures.

Key Skills:

Through exciting hands on experiences the children will learn to **predict**, **question**, **explore**, **test** and **observe**, and **explain**.

Websites to visit

- BBC Bitesize Science KS1
- Science Museum
- Topmarks Science KS1
- Water Aid
- Nina and the Neurons CBeebies

Vocabulary

- **Predict** - make a sensible guess
- **Observe**- looking carefully and closely
- **Investigate**- find the answer to a question

Take note...

- **Thursday 20th October** wear blue clothes and donate £1 to Water Aid
- Year 2 Class Assemblies take place this week- see dates list or newsletter
- Tuesday 18th 9-11am **Year 1** Trip to the allotments
- **FS2** Water Workshop Tuesday 18th please bring spare trousers for your child in a named bag

Perhaps you would like to do your own experiments at home, don't forget to take some pictures and send them in- we would love to talk about them.

If you would like more information on our learning in Science Week please see our 'Curriculum Maps' on our website under the link 'Our School.'
