Heath pm/Flex A	Erica
Heartwood	Charlotte
Clarence	Hugo
Verulam	Harriet
Churchill	Harry D
Spencer	Esa
Mitchell	Theo
Ryder	Cherry
Alban	Aoife
Morpurgo	Jack

Year 2 Class Assemblies

Wow! What a wonderful display of learning, confidence and team work. We are all extremely proud of our Year 2's and the way they worked together to produce such professional assemblies with a lot of complicated microphone passing, clear speaking and celebrations of their learning across the curriculum.

A big thank you to all the grown-ups for coming along to share their learning and to the Year 2 team for all your hard work and preparation.

The countdown begins to some highly anticipated Christmas performances...

Reading Meetings

You will now have lots of information in Reading Folders telling you the main messages from our Reading Meetings this half term. If you missed any meetings or workshops follow this [link](#) to catch up on all the details.

If you have any questions about reading remember to talk to your class teacher.

Thank you for your support!

Ofsted visited school on Tuesday 11th October and you were asked to give your views via Ofsted's online 'Parent View'. Her Majesty's Inspector (HMI) commented that we were in the top two schools he had ever visited for the amount of people who had chosen to respond. He also described the response as 'overwhelmingly positive' and said that there were many supportive comments about how we work with you to ensure your children have the best learning experiences. I am incredibly proud of this outcome and would like to thank staff and parents for the effective way they communicate and work together for the best for every child.

Science Week - Year 1 Visit

On Tuesday Year 1 made their way across to Marshals Avenue Allotments to find out about growing. The children learnt where rain comes from, how to make soil and what vegetables need to be able to grow.

They went inside a polytunnel and were very excited to see a ginormous pumpkin!
Thank you to all the volunteers—we are looking forward to going back to visit in the Spring or Summer to see the changes.

Global Families

The much loved and well attended Global Families event will take place on Thursday 10th November. If you would like to have a stall to share food/artefacts/pictures from your culture or religion please get in contact with your class teacher.

Speech & Language Parent Surgery

If you have a child under 5 and have any questions or concerns about their speech or language development, come and meet our link Speech & Language Therapist Hazel Healey on **3rd November from 10.45—11.45** in Heath Class.

If you would like to attend please email or pop in to the office to put your name on the list.

Wearing Blue for

A big thank you for the sea of blue on Thursday and a very big thank you to Milly and Isabella's Mummy who taught us all about saving water—the children have lots of ideas of how we could do better. To find out more; to receive a Newsletter or download a kids pack visit:

www.affinitywater.co.uk/savewater

PTA Newsletter

Please remember to read the PTA newsletter to find out about all of the exciting events that are taking place.
