

# A LEARNING REVIEW

Heath Class - Spring Term 1

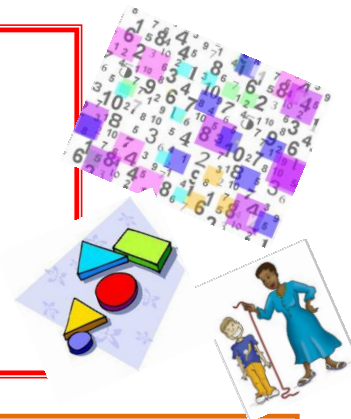

Dates - 9/1/17 - 13/1/17

## Learning Heroes and Maths Week

Mrs O'Dell and Mrs Pinkham

Supported in the morning by: Mrs Timmins and Mrs Wale

Supported in the afternoon by: Miss Atchama and Miss Bushell

### How our learning will link to our children's lives, interests and experiences

- We started the term with a themed week. We thought about how our brains work and how we can be more like our Learning Heroes.
- We worked on solving exciting Maths problems.
- We reviewed the Learning Hero's special stories and identified how we can be like our Learning Heroes.

### How our learning will link to the wider world

- We solved problems such as how to build a bridge using the bricks, building homes for the Learning Heroes, identifying shape in the environment and designing number posters.
- We talked about growing our brains and encouraged the children to keep on going when learning gets tricky.

### Books

- Books with a maths theme,
- Counting books, such as Somewhere In The Ocean, The Hungry Caterpillar, Counting at the Park
- Shape books - Bear In a Square, Not a Box
- Non-fiction books about Maths

### Sing-a-long with us!

We will be learning lots of new songs!

- ❖ Learning Hero Song
- ❖ Number Rhymes
- ❖ Shape songs

If you would like to know the words to these songs please ask.

### Ideas

- Show me - How does this 5 look different from that 5? What does this pattern of five look like? What can you see? How did you make 5 with two hands?
- Make a picture/model - using different shapes, what picture can you make or what model can you make. Talk about the shapes being used and describe them.

### **REMEMBER**

- We have show and tell every week. If your child would like to bring an item of interest to share, show and tell will take place on a Monday morning and Wednesday afternoon. A show and tell object should be topic related or an item linked to a special time (no toys).
- Please let us know if your child achieves anything from the I can sheet that went home before half term. If you would like a new one please let us know.
