We have been talking about...

Storm Doris

On the playground yesterday Mrs Williams had a great idea about using long strips of paper to make ribbons. Lots of children from across the school enjoyed twirling, running and waving their ribbons and talked excitedly about the wind.

You might like to carry this conversation on at home and discuss your child's ideas about where the wind comes from, what benefits it has and what dangers there might be?

World Book Day

Thursday 2nd March

Next week is World Book Day and we are inviting children and staff to come to school dressed as their favourite book character.

Finding a costume that children are happy to wear and **that isn't too expensive/ doesn't involve sewing or stapling (?)** long into the night can be a challenge. If you need some help with costume ideas please talk to your **child's class teacher.**

On Book Day all children need to wear a pair of shoes with their costume that enable them to enjoy the full range of school activities—school shoes, trainers or other flat and sensible shoes will work well.

All children will receive a token on World Book Day for a free book that can be redeemed at Waterstones in town.

Happy Reading!

Thinking Day

Thank you to everyone who came to school in their special uniform for Thinking Day.

The children who took part were very proud and could explain really well why they were a member of their group and what they like most about it.

A sense of belonging is really important and we enjoyed hearing about how these clubs make children feel welcome.

Governor Day

On Wednesday 8th March all our governors are coming to school for the day. You will have a chance to chat to them before school starts as they will be wearing red jackets and will be on the playground with Mrs Rimmer and Miss Woolfson.

Governors are part of our leadership team at school and have many responsibilities towards the strategic running of the school. Governors meet in the evenings and as such aren't regularly here at the same time as the children.

Governor Day is an opportunity for governors to experience day to day life at school, see our policies in action and talk to the children, seeking their views and opinions and finding out what they think about Bernards Heath.

Can you help?

Foundation Stage have a doll's house in need of some renovation...

Are you a dab hand with a paintbrush?

If you are happy to help with doll's house maintenance please talk to Miss Woolfson in the playground.
