Mother's Day Event

This year we are going to change the structure of our Mother's Day event. Following feedback from the Mother's Day gift wrapping and Father's Day gift packs, we have decided to trial a top secret new event. Every child in the school will be involved in creating a personalised gift for their mum or another female that is special to them. These will be created in class and will tie in with the children's learning. Hopefully all of the children will enjoy this event. We are asking parents for a £2.50 donation per child to cover costs and raise a little extra money for the school in the process. Letters will be in book bags shortly.

Have you signed up for the Giving Machine yet?

Thank you so much to everyone that has signed up. So far purchases made through the website have raised over £390 for the school and we have nearly doubled the number of givers for our school since last year. By using sign-up code 57631 supporters will automatically become a Bernards Heath Infant School giver when they register on TheGivingMachine. It is free and a fantastic way to give to our lovely school!

What's coming up over the next few months?

Would you like to get more involved?

This week a few of us got together to talk about the future of the PTA. It was decided that instead of the core roles of chair, treasurer and secretary taking on the responsibility for running all events, that a committee approach would instead be adopted for the new school year. Our current treasurers and secretary will still carry on with their roles, but the chair role will be replaced with lots of smaller committees taking on responsibility for smaller tasks or individual events. We hope that this will help everyone to feel more involved and takes away the pressure for a core group of people to manage and run all the events. We understand that everyone has different amounts of time that they can donate or different skill sets, so we hope to make use of this. We will be having a meeting after Easter to discuss the new structure further, but in the meantime, we would love more people to come forward to take on responsibility for individual tasks or events. If you would be interested in finding out more, please let us know. We would love to hear from you!

SUMMER EVENT

Please put **Friday 30th June** in your calendar for our Summer Event. This will take place directly after school and will be open to the whole family. Further details of our plans will be revealed over the next few months. **In the meantime if you are in a band or know someone that is and they would be interested at performing at our event, please get in touch via email or speak to Rachel or Anne on the playground.**
