Would you like to get more involved?

Last week a few of us got together to talk about the future of the PTA. It was decided that instead of the core roles of chair, treasurer and secretary taking on the responsibility for running all events, that a committee approach would instead be adopted for the new school year. Our current treasurers and secretary will still carry on with their roles, but the chair role will be replaced with lots of smaller committees taking on responsibility for smaller tasks or individual events. We hope that this will help everyone to feel more involved and takes away the pressure for a core group of people to manage and run all the events. We will be holding a meeting on **THURSDAY 27th APRIL AT 9AM** to discuss this further. Please come along to find out more! Everyone is welcome and there will be toys for smaller children to play with.

SUMMER EVENT

Please put **Friday 30th June** in your calendar for our Summer Event. This will take place directly after school and will be open to the whole family. Further details of our plans will be revealed over the next few months. **In the meantime if you are in a band or know someone that is and they would be interested at performing at our event, please get in touch via email or speak to Rachel or Anne on the playground.**

Mother's Day Event

This year we are going to change the structure of our Mother's Day event. Following feedback from the Mother's Day gift wrapping and Father's Day gift packs, we have decided to trial a top secret new event. Every child in the school will be involved in creating a personalised gift for their mum or another female that is special to them. These will be created in class and will tie in with the children's learning. Hopefully all of the children will enjoy this event. We are asking parents for a £2.50 donation per child to cover costs and raise a little extra money for the school in the process. Thanks to everyone that has donated towards the event so far!
