The Final Assembly of the Year!

This morning we gathered together for the final assembly of the year. We celebrated feeling proud of the hard work, effort and achievements of every individual in the school. Year 2 shared some of their 'best bits' and we thanked School Council, Play Leaders and the Help Refugee Committee for 'making a difference' and giving up their time to help others.

We also said some congratulations; to Miss Suttle who has successfully completed her NQT year with us and to Miss Flanagan who has passed her first year at university.

It was time to say goodbye too... to Miss Sharp who is going back to her previous profession; Mrs Latham who will be leading a dance school in September; Mrs Kingsman is going to teach French and Spanish to teenagers; Mr Wilson is relocating to a school in Devon and Mrs Fenner is retiring (but might come back for supply from time to time!)

We will also say goodbye to Mr Denyer who has been given a promotion at CSE so will be supporting other coaches and sharing his expertise to lots of other children. We will let you know who our new Sports Coach will be in September.

Report Feedback

We have been delighted to read about the pride your children have shown when sharing their reports and Learning Journals with you. Teachers know their classes so well and this is clearly evident in the reports and in your responses to these.

What a great year we have had in Year 2!

With heavy hearts we say goodbye and wish the children luck on their journey to the Junior School. At the same time we have so many happy memories to look back on and we thank the children enormously for all their hard work and perseverance. The children have displayed excellent learning behaviour and manners on every school trip we have been on—Mountfitchet Castle, the Allotments and RAF Hendon.

Thank you to all the grown-ups and parent helpers who have ensured this year has been successful and happy.

Have a wonderful summer holiday everyone!
Miss Kearns, Mr Fisher, Miss White

Parent Volunteers

We had a tea party on Thursday to say thank you to all the parents who have volunteered in our school. The hall was decorated and each class made a present including plant pots and painted stones as gifts for our volunteers. We are so grateful for all the help these volunteers provide and for being so involved with school life. We are looking forward to having you back next year!

Mrs Parker

Learning at Home

We wish you a happy and restful summer holiday, judging from the discussions we have had with children this week you have all sorts of exciting things planned. If you are looking for a way to keep up with school, if you need some ideas for rainy days or want to escape from the boiling hot sunshine then don't forget our "Learning Together" page on the website, ideas for games and suggested activities for you and your child to complete together.

Once again we had a brilliant turn out at "New to" meetings. We hope you are feeling prepared for the new school year. Be sure to read the Parent Handbooks:

A day to day guide to Bernards Heath and A Philosophy for Learning, both available on the website.

Still have questions? Ensure you come and talk to a member of staff early in the autumn term.

PTA Newsletter

Please remember to read the PTA Newsletter to find out about all of the exciting events that are taking place.

Have you read the most recent blog post?

Y1 had a very exciting visit to Cuffley Camp on Wednesday. Children took part in problem-solving and team-building activities, helping each other to complete lots of different challenges.

We built dens that needed to be water-proof—if they weren't, we got wet!

"My hair was all wet—it was exciting!"

Ollie Mitchell

"I liked it when we had to solve the problems because it was fun working as a team." Deena Spencer

Thank you to all the parent volunteers who helped and enjoyed the visit with us.
