### Y2 Allotment Visit

This Wednesday Y2 enjoyed a visit to the allotments and despite the wet weather had a wonderful time! The children were able to learn lots about the importance of bees and how they can support the number of bees growing. We were lucky enough to feel and smell plants including courgettes and onion plants.

#### Here are some facts the children learnt:

“The Queen Bee lays 2000 eggs a day!” Ben (Morpurgo)  
“Bees are attracted to colourful flowers.” Ollie (Ryder)  
“It was interesting to learn that bees were alive before the dinosaurs.” Matilda (Alban)

Thank you to all the parent volunteers who helped and enjoyed the visit with us.

### Transition Day—Thursday 13th July

This is the date when Y2 go to Y3 for the whole morning and stay for lunch. Y2 parents need to drop their children off at the Junior School in the morning and collect them from their usual class at 3.10pm (Infant staff go and collect Y2 after lunch).

Everyone at the Infants will also spend the morning in their new classroom. Remember Heath Class is closed all day on this day because the new Heath Children are coming to visit.

### Letters/Emails Sent Home

Y1 & Y2 Sports Day

Alban Day raised £261.21 for the Verulamium Museum. We can't wait to start using this amazing resource!  
Thank you for your support.

## Behaviour and Anti Bullying

So much of our success at school is based on ensuring relationships are strong and children are happy. Governors have updated these two policies which set out how we create an ethos of high expectations, clear communication and illustrate the importance of providing children with timely and effective feedback on their behaviour, choices and interactions.

### Sports Day

Come along to cheer us on!

#### **Sports Morning for FS1 and FS2 (on the field)**

Tuesday 4th July

Clarence and Verulam 9.15am

Heath and Heartwood 10.30am

#### **Sports Afternoon for KS1 (on the Heath)**

Tuesday 4th July

Y1 – 1-2pm

Y2 – 2-3pm

### Photos on Social Media

We ask that you do not post any photos taken at school on social media. We have some parents at school who do not want images of their children displayed online for a variety of reasons.

Many thanks for your cooperation and for respecting this request

### Maths Games Library

Next week is the final Maths Games Library for this term. Please ensure you return any outstanding games. Thank you

We are putting together a folder of summer activities. If you need inspiration for the upcoming summer holidays, why don't you pop in and take a look.

Also, if you know of any fun activities / days out to share with other parents please let us know .

### Book Busters Club

Next week Mrs Hopkinson-Badgery will be using the book "Gordon's Great Escape" by Sue Hendra & Paul Linnet
