End of Year Reports—FS2 & Y2
Year 1 Phonics Screening Outcomes

The Year 2 play 'Eddie the Penguin Saves the **World**' went down a storm this week. Children sang, danced and acted like professionals! Eddie and his Penguins marched all over the world explaining important messages about how to look after our planet. Well done to all Year 2 children who have worked very hard to learn lines, remember actions and song lyrics as well as dance in a group. We also would like to thank the Year 2 support staff and teachers who worked very hard to create the costumes and set, direct the play and encourage the children. What a wonderful end to a fun filled term!

Transition Day

Everyone spent a fun filled morning in their new classroom with their new teacher and teaching Assistant on Thursday.

The emphasis for these meetings was on building relationships and getting to know the expectations for September and the new school year. Year 2 enjoyed their morning and lunchtime at the Junior School and all seemed a little more 'grown up' on our walk back to school.

End of Year Written Reports

On Friday parents of Y2 and FS2 children will **receive their child's end of year written report.** If your child is in FS2 the report will come home with your child's Learning Journal which needs to be returned to school on Monday. Please complete and return the comment slip, as always, we welcome your feedback.
