A brief outline of some of our clubs:

Lego Miss Hart	A new club that will give children the chance to get creative with construction! New challenges will be set each week to put their building skills to the test.
Golf Sports Coach	Our first introduction of Golf Club. We are offering this to a small group of Y2 children for our first term.
Ukulele Miss Hart	Learn to play the ukulele from scratch! Look at chords, strumming patterns and learn a range of fun songs. This club is for children who have not attended before.
Book Busters Mrs Hopkinson-Badgery	Each week children will leap into a book; finding out about the characters and storylines. They will follow up their reading with a range of activities: art, model making, word searches and lots more.
Let's Get Creative Mrs Parker Mrs Greenhalgh	Learn to create art and craft items using a range of materials and mediums.
Drama and Musical Theatre Miss Flanagan	Develop creativity and imagination. Use music and role-play based on popular stories to develop speaking and listening skills as well as confidence and self-esteem.
Cooking Miss Keeton	Learn how to cook using simple recipes. Follow instructions and practise weighing out ingredients. Understand the importance of hygiene and healthy eating. This club is for children who have not attended before. There is an additional charge for this club to cover the cost of ingredients.

This term all sports clubs will be outside as much as possible; please send in appropriate clothing.

Parents are not able to stay at school during any club but please arrive in good time to collect your child. Please meet your child at the Quiet Room outside door or appropriate classroom as advised in the letter of confirmation.

Things your child will need:

Sports Clubs – Y1 and Y2	Classroom based clubs - Y1, Y2
Sunhat T-shirt Warm sweatshirt Tracksuit bottoms/shorts Trainers Water bottle & a healthy snack Y1/Y2 – PE Kit should not be used All kit must be labelled	Water bottle and a healthy snack

If there is not enough interest shown for a particular club we reserve the right to cancel it.

We have stated the total number of spaces available in each club to help parents understand why it isn't possible for every child to be allocated their first choice. Whilst we are extremely proud of the number of clubs we offer, on some occasions we have over 150 children choosing to attend a club with just 12 spaces.

Initially each child may join one club. If you wish your child to attend more than one club you must state this on the attached form. If there is space, your child may be allocated an additional club place – please read our [allocation policy](#) to understand more.

The clubs we organise as a school provide children with opportunities to learn new, age-appropriate skills in many different areas of learning. We encourage children in our 3.15pm clubs to bring along a drink and a small healthy snack that can be finished in 5 minutes so as to get as much learning from the session as possible.

If you have attended clubs before you will notice an increase of 40p per session (£3.60 to £4.00) totalling £40.00 for 10 weeks. Income from clubs is used to cover staff costs and resources. Any surplus money is always used to provide activities, resources and experiences that all children may benefit from.

We need your replies by Friday 30th June. This is the final deadline as places will be allocated and it will be too late to change your mind/swap your preferences after this date. Confirmation letters will be emailed to you by Tuesday 11th July.

After the term has begun we cannot swap and change club places so please choose carefully.

With best wishes,

Mrs Rimmer
