### Reading Meeting for Year 1 and Year 2

**Come and find out what we mean  
when we talk about developing  
comprehension skills,  
pre-reading, end of year/key  
stage expectations and reading  
mileage.**

**This meeting is for everyone and  
is led by our Key Stage 1  
teaching team and starts at  
7.00pm in the hall.**

### Learning Walks

At school the Leadership Team regularly carries out Learning Walks which focus on a variety of areas of learning. These walks are an opportunity to reflect on what is working well and think about what could be even better. Over the last two weeks we have visited every class; observing teaching, talking to children about their learning and evaluating the effectiveness of our classroom environments. Teachers and support staff have worked really hard to provide a learning environment for every child that promotes independence and supports learning.

Please note: correction!  
Bring your grown-ups to  
school  
Friday 13th October

### Lifeboats

A big thank you to Jean who came to talk to the children in Year 2 about the work of the Lifeboat Association. Children were amazed to hear about the important job lifeboats do. It was surprising to find out that a very high number of people that need rescuing are people who are just visiting the seaside. It is thought that the people who live by the sea are not as likely to get into difficulty because they know and understand how to be safe. If you would like to make a donation to the work of the Lifeboat Association there is a collection in the school office.

Monday is the last chance  
to return meal choices and  
money for the parents FS2  
lunch on 3rd October.

Conference and Workshop  
See attached document for more information

## Foundation Stage Teaching, Learning and Reading Meetings

These meetings will be held in the hall and will be the first opportunity for you to see your child's Learning Journal, find out how we track their progress and learn how you can best support them at home.

If your child is unwell or has a medical appointment, please inform the school office.

Teachers are unable to record this information with the introduction of electronic registers.

Please can you provide us with a box of tissues to catch the germs in your child's class. Thank you.
