Children in Need

We had a spectacular spot challenge where children counted spots around the school, sorted pom-poms in their classrooms and used spot stickers to solve maths problems.

Thank you for your donations. We will let you know the total raised next week.

Mitchell Class Assembly

This morning we enjoyed being entertained by Mitchell Class who shared their learning with us. Some of their favourite moments were:

Lucy: "I loved showing my learning that I am proud of."

Cyrus: "I enjoyed holding the clock and introducing our assembly."

Jake: "I loved singing the days of the week and months of the year song!"

Lexi: "I liked standing up and reading my firework sounds."

Feeling Proud!

We are pleased to share a [link](#) to the Herts Advertiser article about our Global Families Event. Thanks again to all who took part and to Miss Kearns for coordinating this wonderful afternoon!

We are authors!!

The last couple of weeks have been so exciting; following some training with Sarah Kingham (an early years and literacy expert) we have been growing our brains and the children have been authors creating their own books about a wide variety of subjects! For some children they have written the books themselves and for others they have drawn the pictures and said their ideas out loud so that adults can take on the role of secretary and write for them. Follow this [link](#) to find out how you can make your own book at home—if you are feeling proud of your book we would love to see it at school!

We are looking to further our links in the community by inviting elderly residents, friends or neighbours to our Year 1 and Year 2 Christmas performances at school. Do you have any links with a local day centre or residential home that may be interested in coming to watch?

Please let Miss Kearns know via the office.

FS2 Tours

This week was our second tour for parents of children coming to school in September 2018. Lots of families talked about how impressed they were with the children they met. The School Council talked about what they are most proud of and their favourite things about our school while they showed the grown-ups around. We are very proud of them.

Year One Garden

Please remember—play equipment is for use at play times and lunch times and not for the beginning or end of the school day, including after school club pick up.

School Lunches

All of our school lunches are calculated and ordered in advance. Please allow a minimum of one week for lunch changes to be processed.

School Gateway

81.5% of parents have registered and downloaded the Gateway App and are ready to receive messages from school. If you are yet to do this then **you need to do so as soon as possible**. If you are experiencing any problems please talk to Dawn or Serena in the school office.

Milk

If you would like your child to have milk next term please make your payment of £14.00 to the office in a named envelope. Payment can also be made via the school gateway, or by cheque (payable to Herts County Council)
