Parking

This week I have received a letter from the Chaucer Road Management Company. Some parents are choosing to park so that sightlines are obscured or the entrance to Chaucer Close is blocked. The company representing our neighbours have requested that parents refrain from parking on this private road.

I would like to remind parents to park considerately on the roads around our school. Blocking dropped kerbs, mounting the kerb with **two wheels and obscuring people's view from side roads directly puts children's lives at risk.**

To keep children safe please make sure they walk/scoot/ cycle close to you and do not run off ahead or lag behind on their own.

Heartwood Class Assembly

This morning we enjoyed being entertained by Heartwood Class. Some of their favourite moments were:

Martha: "I liked saying my sentence."

Frank: "I liked everyone showing their work."

Rory: "I liked the bit when we counted up to twenty and down from twenty."

Juliette: "I liked all the songs. My favourite was the Goodbye Song."

Parents are a strength and asset of our school. We are very fortunate to have a large number of volunteers who come to school weekly and give up their time to help support a wide range of activities. If you would like to join them, come along to our volunteer meeting and find out more.

Tours

Thank you to the School Councillors who have done an amazing job showing prospective parents our school. It always makes us feel proud when parents feedback how clear, enthusiastic and pleased children are to talk about their school. Yesterday was the final FS2 tour and it has been fabulous to see the children grow in confidence when carrying out this important job.

Tours for FS1 (Heath Class) for 2018 start next week. Call Dawn or Serena if you would like to book on to one of these.

Phonics Workshops

FS2 parents please call the office to book your place on our Phonics Workshops to find out how children learn to read and write through the teaching of Letters and Sounds.
