Data Protection Act 1998: How we use pupil information

We collect and hold personal information relating to our pupils and may also receive information about them from their previous school, local authority and/or the Department for Education (DfE). We use this personal data to:

- support our pupils' learning
- monitor and report on their progress
- provide appropriate pastoral care; and
- assess the quality of our services

This information will include:

- *contact details
- *statutory assessment results
- *attendance information
- *exclusion information
- *where they go after they leave us
- *personal characteristics such as their ethnic group
- *any special educational needs
- *relevant medical information

We will not give information about our pupils to anyone without Parent/Guardian consent unless the law and our policies allow us to do so. If you want to receive a copy of the information about your son/daughter that we hold, please contact **Mrs Rimmer via the school office**.

We are required, by law, to pass certain information about our pupils to our local authority (LA) and the Department for Education (DfE).

The DfE may also share pupil level personal data that we supply to them, with third parties. This will only take place where legislation allows it to do so and it is in compliance with the Data Protection Act 1998.

Decisions on whether DfE releases this personal data to third parties are subject to a robust approval process and are based on a detailed assessment of who is requesting the data, the purpose for which it is required, the level and sensitivity of data requested and the arrangements in place to store and handle the data. To be granted access to pupil level data, requestors must comply with strict terms and conditions covering the confidentiality and handling of data, security arrangements and retention and use of the data.
