Year 2 Visit to RAF Hendon

On Wednesday this week Year 2 visited the RAF Museum in Hendon. It was a chance for the children to get up close to the aeroplanes they have been learning about in our World War II theme this term. We had a wonderful day exploring and learning about the RAF and air raids.

Children were receiving a stern talking to from the air raid warden about how to stay safe when suddenly an air raid siren went off and they had to evacuate to the Anderson shelter! Luckily it was just a drill. After that children tried on different RAF uniforms and talked about what it must have been like to be a pilot.

Favourite moments included:

"My favourite bit was when we went into the air raid shelter because it looked hot and gloomy! When the alarm stopped it was safe to go out." Sebastian

"My favourite bit was the air raid shelter, we sat there and pretended that Neve was the air raid warden. Neve wore a special hat." Isabelle

"My favourite bit was when you got to try out the different propellers to see how they moved." Sophie

Road Resurfacing

On 17th and 18th May 2018 work is being done to improve the road surface between the junctions of Sandridge Road and Boundary Road. This will impact on access to school via Upper Culver Road and families are advised to use the entrance on Sandridge Road to ensure everyone can arrive safely to school. Thank you

Maths Games Library

Our Maths Games Library continues to be very popular! Children are enjoying playing new games each week and are growing their maths brains. We would like to ask you to have a look at home and see if you have any maths games you would like to donate to our library. These need to be suitable for children aged 3-8 years and must be complete and in good condition. If you have a game you would like to donate please send it to the office.

A BIG thank you to Mrs Mirante for running our Maths Games Library.
