Happy Birthday

Grace, James B, Maxime, Alex L, Henry W, Olivia B, Sebastian D, Dottie
Miss Earnshaw

Transition Day

Everyone spent a fun filled morning in their new classroom with their new teacher and teaching assistant on Thursday.

The emphasis for these meetings was on building relationships and getting to know the expectations for September and the new school year. Year 2 enjoyed their morning and lunchtime at the Junior School and all seemed a little more 'grown up' on our walk back to school.

Maths Games Library

It is our final Maths Games Library Session next week.

Please can you make sure you bring back all outstanding Games by Tuesday—thank you.

There is so much to celebrate. [Click here](#) to find out what parents had to say about our recent work with Phil from Herts Balance and Ride.

Phil has worked with us across 6 days this last half term; working with 63 children from Year 1 and 2.

'I cannot commend this experience enough...she enjoyed it so much and made extremely fast progress and is now confident bike riding. We very much hope you will continue this initiative for when our son joins the school in Sept 2019.

Congratulations to Phil and his team and well done BH school in being so innovative...'

We are incredibly proud of the children's resilience, perseverance and concentration. They have all come away feeling so successful. We have heard so much about the practising that is going on in the evenings and at weekends and look forward to continuing our work with Phil next term.

A big thank you to everyone who helped and came along to the PTA Summer Picnic last Friday.

We raised just over £350 which is a fantastic amount.

STEM Returners programme running in Hertfordshire with Meggitt

Have you taken a career break from an engineering or technical sector and wish to return? Are you working below your experience in a different sector? Do you have an engineering or technical degree that you aren't using? Do you just wish to transfer sectors but don't have any experience? If so this could be the opportunity for you! We are currently sourcing candidates for the Meggitt STEM Returners programme, a 13 week fully paid and supported return to work programme starting in October in Stevenage. All candidates will also have the opportunity to obtain a permanent role at the end of the programme.

No career break is too long, register to return to STEM today! For more information please visit www.stemreturners.com or email hello@stemreturners.com.

End of Year Written Reports

On Friday parents of Y2 and FS2 children will receive their child's end of year written report. If your child is in FS2 the report will come home with your child's Learning Journal which needs to be returned to school on Monday. Please complete and return the comment slip; as always, we welcome your feedback.

Library Books

Please check at home and return all outstanding library books before the summer holidays. We are having a thorough sort through library books and there are lots available for you to take home and keep. Please come and help yourself—small donations are welcome!

If you are somebody who volunteers with us on a regular basis, please look out for your afternoon tea invitation for this Thursday. We are looking forward to saying a very big thank you for all you do.

REMEMBER, REMEMBER.....
