Wow! Wow! Wow!

This morning we were very impressed as Madam Zolynski and three groups of children who have been attending French Club this year shared their learning so far. The audience were obviously impressed as the children at the front of the hall sang greetings, the days of the week and a song about animals. The children have been learning French during a lunchtime club which we have had to extend to five days a week because of demand. I think Madam Zolynski will have a waiting list after **today's assembly; children were very engaged and motivated by the active and interesting way she and her French puppet assistant Marcel have been making learning a new language so much fun.** We are very proud of the children for trying something new and for the way they shared their learning so confidently.

### Progress Review

Some quotes from our Hertfordshire Improvement Partner Anne Peck when she came to see the progress we had made on our whole school priorities:

**"The striking impact of actions were readily evident in the learning walk undertaken during the visit."**

**"...numerous meaningful opportunities to write and develop communication, language and literacy"**

**"Underpinning all of the highly successful provision observed today, are the strong adult interactions with all pupils."**

### Maths Games Library

Please can you make sure you bring back all outstanding games. Thank you.

## Parent Volunteers

We had an afternoon tea on Thursday to say thank you to all the parents who have volunteered in our school. The hall was decorated with flowers and table cloths and each class made items including paper teapots and painted stones as gifts for our volunteers.

We are so grateful for all the help these volunteers provide and for being so involved with school life. We are looking forward to having you back next year!

**If you couldn't attend the tea party please pop** by the office to pick up a handmade present. A big thank you to our admin team who ensure all paperwork and induction training is up to date.

## London Zoo

On Tuesday Year 1 had a very successful trip to London Zoo. Thank you very much to our staff and parent helpers for making it such a fantastic trip.

"I liked the gorilla and there were two babies." Archie  
 "I loved seeing the komodo dragons, when they stood up they were nearly as big as me!" Rory  
 "I saw a baby sloth it was as big as my knee." Eilidh

## Parent View

36 parents have so far visited parent view. 100% of respondents strongly agree that their children are safe and happy at Bernards Heath and would recommend this school to others. To complete the survey yourself please follow this link:

The Year 2 play 'Eddie the Penguin Saves the World' went down a storm this week. Children sang, danced and acted like professionals! Eddie and his Penguins marched all over the world explaining important messages about how to look after our planet. Well done to all Year 2 children who have worked very hard to learn lines, remember actions and song lyrics as well as dance in a group. We also would like to thank the Year 2 support staff and teachers who worked very hard to create the costumes and set, direct the play and encourage the children. What a wonderful end to a fun filled term!

Finally a thank you to our audience, it **wouldn't have been the same** without you.
