FS2 need to bring trainers for sports clubs but **do not** need to change into a different kit – their uniform is already appropriate for sports clubs.

Parents are not able to stay at school during any club but please arrive in good time to collect your child. Please meet your child at the Quiet Room outside door or appropriate classroom as advised in the letter of confirmation.

Things your child will need:

Sports Clubs –Y1 and Y2	Classroom based clubs - FS2, Y1, Y2
T-shirt Warm sweatshirt Tracksuit bottoms/shorts Trainers Water bottle & a healthy snack Y1/Y2 – PE Kit should not be used All clothing must be labelled	Water bottle and a healthy snack

If there is not enough interest shown for a particular club we reserve the right to cancel it.

You will see we have stated the total number of spaces available on each club. This is to help parents understand why it isn't possible for every child to be allocated their first choice. Whilst we are extremely proud of the number of clubs we offer, on some occasions we have over 200 children choosing to attend a club with just 12 spaces.

Initially each child may join one club. If you wish your child to attend more than one club you must state this on the attached form. If there is space, your child may be allocated an additional club place – please read our [allocation policy](#) to understand more.

The clubs we organise as a school provide children with opportunities to learn new, age-appropriate skills in many different areas of learning. We encourage children in our 3.15pm clubs to bring along a drink and a small healthy snack that can be finished in 5 minutes so as to get as much learning from the session as possible.

A brief outline of our clubs:

Lego Miss Hart	Children will be exploring the many uses of Lego and taking on new Lego challenges. There will be a different theme each week ranging from creating mazes to building models. Due to the popularity of lego club at school, children who have not attended this club before will be given priority.
Origami Mrs Aide & Miss Sinnott	Children will have the opportunity to try their hand at the Japanese art of paper folding to create different models without the use of scissors or glue.
Musical Theatre Miss Flanagan	Develop creativity and imagination. Use music and role-play based on popular stories to develop speaking and listening skills, as well as growing in confidence and self-esteem.
Sewing Mrs Aide & Miss Sinnott	Children will learn how to use a needle and thread to create pictures and patterns.
Ukulele Miss Hart	Learn to play the ukulele! Look at chords, strumming patterns and learn a range of fun songs. This club is for children who have not attended before.
Football Sports Coach	A hugely popular club choice.
Hockey Sports Coach	Children will develop agility and coordination whilst learning the skills of this engaging team game.
Basketball Sports Coach	An opportunity to develop throwing and catching skills, as well as team-building, in this pacy sport.
Tag Rugby Sports Coach	Children will have the chance to develop passing, off-loading and decision-making skills whilst having lots of fun!
Spanish Mrs Hernandez	This club is for children who have not attended before

We need your replies by Friday 30th November 2018. This is the final deadline as places will be allocated and it will be too late to change your mind/swap your preferences after this date. Confirmation letters will be emailed to you via SchoolComms (Gateway app) week commencing **Monday 10th December 2018.**

After the term has begun we cannot swap and change club places so please choose carefully.

With best wishes,

Mrs Rimmer
