

Bernards Heath Infant an Nursery School

Sports Premium Funding 2015/2016

The Government has given every school additional funding to develop P.E. and Sports.

'Schools are free to determine how best to use this funding to improve the quality and breadth of PE and Sport provision, including increasing participation in PE and Sport so that all pupils develop healthy lifestyles and reach the performance levels they are capable of.' OFSTED
Inspecting Primary School PE and School Sport, Sept 2013

For several years at Bernards Heath we have provided at least 2 hours of P.E. at Key Stage 1 and in the Foundation Stage, the children have opportunities every day to be outside and to take part in sports activities.

We promote competition through opportunities in our P.E. and Sports curriculum and we offer a wide range of after school sports clubs during the school year which take place daily 3.15 and 4.15 pm.

Our curriculum plans introduce and develop skills in a wide range of physical activities. We will continue to ensure that the children are given opportunities throughout their four years at our school to engage in a range of competitive sports and activities supporting the children to lead healthy and active lives.

The additional funding we receive this year, will allow us to:

- Employ a qualified Sports Coach who will team teach with all class teachers enabling greater differentiation and inclusion in lessons (part funded by Sports Premium)
- Provide sports coaching which will allow children to benefit from specialist teaching and for teachers to increase their skills
- Provide administration time for organisation of clubs
- Expand after school activity club provision for sport and healthy lifestyles e.g. football, cricket, tennis, crafts, Planet Protectors, cooking applying the principles of healthy lifestyles
- Encourage our Y2 children to improve their leadership skills through Play Leader roles at lunchtimes
- Provide a Sports Coach who can lead physical activity during lunchtimes
- Provide membership to '5-a-day' so children have regular access to physical activity in their classroom

Through these plans, our children and staff will gain new skills and knowledge as well as taking part in a range of new and existing experiences.

Our long term aim is higher quality lessons and improved learning for all children and staff.

Admin time for Club allocations	Each term new clubs are arranged. Children and their parents apply for places and allocations are made. This process takes in total, at least, 10 hours of office admin time.
PE Subject Leader	The PE subject Leader used planned leadership time to seek pupil and teacher voice about the organisation of Sports Day. As a result a new format was trialed this year with positive feedback from parents, children and staff. The PR subject leader will use this feedback to make adjustments for the 2017 sports day.

PE Equipment	The school will replenish PE curriculum after an audit of resources in the hall and those available at lunchtime.	
Admin time for Club allocations	Each term new clubs are arranged. Children and their parents apply for places and allocations are made. This process takes in total, at least, 10 hours of office admin time.	
Skipping Workshop	The PE leader planned a skipping workshop for the whole school to coincide with Healthy Schools Week and sadly this was cancelled for reasons beyond the school's control. The PE leader will seek to rearrange this in the 16/17 academic year.	
Play leaders to encourage leadership responsibilities	With a new Year 2 cohort comes the opportunity for a new group of children to learn about responsibility and supporting others through the role of Play Leader. These children will work closely with Mr Denyer our Sports Coach and a member of the teaching staff to plan games to play with others.	
'5-a-day' Online fitness activity sessions	This is extremely popular with children across the school. We have renewed this subscription so children can continue to benefit from short bursts of physical activity promoting a healthy lifestyle.
