### Welcome to a new cohort...

This week we have sent home welcome letters to new FS2 families starting school with us in September.

Thank you to all parents who contributed to our request for thoughts about transition to FS2 in September 2016. As a result of feedback and discussion with staff we have made changes to the transition timetable; inviting younger children to school in the mornings and shortening the overall process so that all children are in full time from Monday 18th September. The majority of parents and staff were in agreement that our transition program resulted in children feeling happy and ready to learn in their new classrooms and that getting to know adults and classroom routines in a group of 15 was beneficial.

### New to FS1 and FS2

#### Have you got the 'New To' dates in your diary?

The dates of these evening meetings in July can be found on the dates list on the website. This is a good opportunity to come to school, meet the staff team who will be working with your child and learn about expectations for the new academic year.

Heath Class really enjoyed their visit to the Junior school on Thursday afternoon. They shared stories, played with the parachute and some children had the opportunity to read with their older siblings.

Thanks to Heath Class staff, children and volunteers for supporting the change of routine on Polling Day. A special thanks to Miss Honeybell, Mr Brown and Mr Lovett for their hospitality in Year 5!
