Happy Birthday

There is not a Friday 'Proud Assembly' this week so we will sing happy birthday to Mrs Wale and Elliot F after half term.

FS1 and FS2 Assemblies

Wow! We have been very impressed with the youngest members of our school this week. Our Foundation Stage Children have taken to the microphone and have confidently been presenting their learning to their grown-ups. Each class have presented to their own parents maintaining an intimate feel. The children have had lots of independence in choosing what they would like to share and have spoken clearly about what they like to do and the different ways they have grown their brains since September.

These class assemblies are a great way **for parents to 'get a feel' for what happens at school.**

We have been very appreciative of large audience numbers and rapturous rounds of applause.

Thank you!

The Bernards Heath Breakfast Club

We are pleased and excited to announce we will be running our very own Breakfast Club from September!

Breakfast Club will open at 7.50 am. Children will be taken to their classrooms at 8.50 am ready to start their learning.

We are very happy to say that Miss Flanagan, currently working as a TA in Year 1, is taking on the role of Breakfast Club Leader. She has lots of ideas about how **to make the first hour of your child's day** happy, healthy and lots of fun!

More information about how to book a place for your child will be released after half term.

Feedback

Thank you to anyone who has given us any kind of feedback over the last half term. Your views of what we are doing well and what we could do even better are very helpful. We are grateful to have such strong links between home and school.
