Spring Festival

A big thank you to every parent, grandparent and small brother and sister who came and supported the Spring Festivals this week. The children were very proud to perform to an audience and those who introduced their class songs spoke really clearly into the microphone!

Well done to the children from ukulele club who showcased their skills—we were very impressed with their new learning and confidence.

Thanks to staff across the school who help the children learn their words and ensure they are feeling ready to be happy and successful before a performance.

Save the World!

This week we had a visit from a group of 6th formers from STAGs. They came to talk about plastic in the ocean, the damage this is doing and how we can help to make this better. They shared a power point and played a game where a plastic bottle was passed around by Mitchell Class; demonstrating how quickly plastic can be carried out to sea (we learnt this is about 9km an hour—faster than most of us can run!)

Next we heard from Audrey and Daisy who had made a poster about not wasting resources like sellotape at school. They also talked about recycling and other ways we could help look after our world. We were proud of these girls who decided this was something they should share with everyone in assembly and made the poster in their CIP time.

Thanks to Miss Suttle for inviting our visitors. Miss Suttle leads the Eco Council who are thinking lots about how to look after our school and wider world.
