Heath AM and All Day B Assembly

Today we enjoyed being entertained by Heath Class. Some of their favourite moments from their class assembly were:

James N: "I liked the instruments and the Music Man and I danced to the saxophone."

Bibi: "I liked The Frog Chorus and the funny cat noise in it."

Alfie: "I liked doing the big bass drum."

Thomas D-W: "I liked Mummy coming here. I really liked 'Bom, bom, bom' (the Frog Chorus) and Mummy taking photos of me and doing the Music Man."

Phoebe: "I liked it when we did the band bit."

Alban Day

On Thursday 21st June the children and adults will be putting on their blue and yellow clothes to think about Alban Day and find out how the town got its name. They will find out about the emblem of St Albans and what it represents. They will also find out who Alban was, and why he is an important figure in our local history. All in preparation for the Alban Day parade from **St Peter's Church to the Cathedral** at the weekend. So if you can, go along, your class teacher will be interested to find out what they saw.

Don't forget Heath Class pm and All Day A Assembly

Monday 18th June, 2.45pm

St Albans Fun Run

Wow we have done it again! Bernards Heath are now the proud winners of the St Albans Fun Run Primary School Challenge for the fourth year in a row.

Thank you to everyone who came along and contributed to our success. There was a fabulous atmosphere and we were proud of every child who did their best. Lots of parents commented on the community spirit and positive attitudes shown by our children. It was great to hear them encouraging each other and cheering their friends across the finish line.

Children are invited to wear their medals to school on Monday for a group photo.

New Windows and Doors

Today marks the end of the first week of window and door replacement works in the main school building.

The team at N&P windows have worked efficiently and effectively and we are really pleased with the outcome.

Thanks to children, staff and parents who have been amazingly flexible and have adapted to being displaced from classrooms and offices so that the work can go ahead.

We are feeling positive about next week and the biggest job of them all, the school hall!

We are having a major sort through our library books and as a result we have some to give away for a small donation. Look out for a member of our school team in the play-ground after school.

Be Prepared...

Ensure your child is well prepared for the gorgeous weather we are having. Apply sun cream before school and send them with a hat and water bottle.

Thanks
