## Happy Birthday

Lewis VR, Florence B, Ahyan, Emilia, Toby S, Sebastian M

## Lunchtime at School

This week children from Heartwood, Clarence and Verulam Classes have been getting familiar with the hall and lunchtime routines. All children have visited the hall, learnt where to line up collect their lunch and where to tidy things away. Next week we have assigned adults who work at lunchtime to work closely with each class, getting to know them and helping build confidence with the lunchtime routines.

We are looking forward to welcoming one adult for each child from Heartwood, Clarence and Verulam Classes on the 9th, 10th and 11th of October. Remember to return your meal choice to the office as soon as possible.

Thank you!

## Volunteers for Snow Clearing

Although we are still enjoying the lovely sunshine, before we know it winter will be upon us.

We are looking to form a group of volunteers who would be able to help us in the event of snow, to come in and clear the playground, to avoid any unnecessary school closures.

If you would be happy to be called on in the event of snow please let the office know.

## Volunteering at School

You may remember in the Summer Term we had a huge clear out of library books. From your donations we raised over £300 to revamp this special place in our school. It has so far been a labour of love and this term we are excited to introduce the children to our new and improved library but we need your help! We would like our library sessions for children to be a time for high quality discussion where adults work with a small group of children to return their book and support them in choosing a new one.

**Would you support our children's library sessions? Can you help us to promote a love of books and reading? Please get in touch with Miss Woolfson and put the volunteer meeting in your diary—**

Monday 1st October 9am.

Please remember to check this if you have any missing items of clothing.

If anyone left a water pistol in school at the end of last term, you will find this in the lost property box.

**Children will learn about how our genes make us who we are. Parents of FS children please consider whether your child can manage tricky buttons and zips on trousers.**

The autumn will soon be here...

Please can you provide us with a box of tissues to catch the germs in your child's class? Many Thanks

All After School Clubs start next week. Please remember to send your child in with a water bottle and a small healthy snack.
