We are very grateful to have such an involved parent body who work so well with us as partners in their children's education.

We wish you all a very happy Christmas holiday and hope you enjoy the time away from school with friends and family. See you in 2019 for more exciting adventures and opportunities to 'grow our brains' together!

### Nursery Places

If your child turned three in September, October, November or December, and you are interested in a 15 hour nursery place for next term, please come in and talk to us.

### Verulam Class Assembly

On Tuesday we enjoyed being entertained by Verulam Class, who shared their learning with us. Some of their favourite moments were:

Ella: "I liked Welcome Welcome."

Sienna: "I liked saying "We've been learning about the Bear and the Hare. Watch it with us."

Joe: "I liked the bit when I held the microphone."

Anna: "I liked reading out my Santa List the best."

William: "I liked the children watching us."

## Christmas Parties

On Wednesday we had our class Christmas parties. A special visitor came to see us with a red sack and a present for each class — thank you to Father Christmas and all the grown ups who made the parties such fun for everyone.

You might have noticed that there are not any consultations planned for Year 1 in the spring term. This is because these happen in the summer term. Just before Easter you will receive a written report. Children in FS1 will also receive their reports this will be followed with a consultation in the summer term. FS2 and Y2 reports are sent home in the summer term. For dates see the date list on the website.

## Class Blogs

What a fantastic community to belong too... A big thank you to everyone who helped at the Christmas Fair from all of us a school. The staggering amount of money you have helped to raise will be reinvested into activities and resources that directly benefit your children. We are planning on updating the technology in FS1 and FS2 in the spring term and will use some of the money to subsidise school visits and provide the ingredients for every child at school to cook.

Please [register here](#) for Everbridge Schools Closure Notification System (ESCNS) the system we use in the event of school being closed due to weather or a public emergency.

Our local radio station 3 Counties will also update you on school closures.
