## Happy Birthday

Chloe H, Anis, Imogen, Alaia , Mrs Atchama

### Y1 Science Museum Visit

The trip to the Science Museum was enjoyed by all! The awe and wonder of being in such an incredible space inspired the **children and they loved seeing the exhibitions. The 'Exploring Space' section was a very popular part to visit, particularly** because it tied in so well with our recent theme. Thank you so much to all the grown-ups who came with us. Well done to the children for staying safe, learning lots and having fun!

**Amelie (Mit) "I enjoyed feeling different materials like rubber, wool and metal".**

**Leo (Mit) and Aviroan (Sp) "We liked the planets changing in the light."**

**Max (Ch): "I liked when we went up the stairs to see the planes."**

**Leo (Ch): "I liked talking about the electric things with Miss Earnshaw."**

**Violet J (Sp): "There was a display where you could find out how hot it is on Mars."**

**Freddie: "I liked the open drawers because you could see where things were made."**

**Nia (Ch): "I liked going to the garden to play with the water tray."**

**Tanzeela (Sp): "We saw different things on a screen that were connected, it was really relaxing mindfulness."**

Please note all After School Clubs have now finished.

Clubs in the Summer Term start on Friday 26th April. We still have a few spaces which can be booked via the school gateway. 

Monday: Origami (Y1 & Y2)

Tuesday: Planet Protectors (Y1 & 2)

Tuesday: Sewing (Y2)

### Mitchell Class Assembly

Today we enjoyed being entertained by Mitchell Class, who shared their learning with us. Some of their favourite moments were:

Eva: "I liked saying about my rocket and that my Auntie came to watch."

Sylvie: "I liked talking about penpals and introducing Sunshine Showers and Rainbows."

Olly: "I liked doing the Space Song."

Talhah: "I liked talking about a game called Spotty Dog."

Anisa: "I felt proud speaking in the microphone."

Next week is the start of the Big Pedal Challenge. Pupils, Staff, Parents and Carers can all join in.

All you need to do is to cycle, walk or scoot to school on as many days as possible during the event. If you live too far to avoid the car, park a bit further than usual and pedal the rest of the way. 

Enjoy the challenge!

### Spring Festival

A big thank you to every parent, grandparent and small brother or sister who came and supported the Spring Festivals this week. The children were very proud to perform to an audience and those who introduced their class songs, talked very clearly into the microphone.

Thanks to staff across the school who help the children learn their words and ensure they are feeling ready to be happy and successful before a performance.

**CHALLENGE**  
SPORT & EDUCATION

You may have noticed that Mr Desborough has put a catch on the gate at the main pedestrian entrance to our school. Please make sure you always shut the gate upon entering and exiting our school to keep our children safe.

**Congratulations to Mrs Donagher and her team on passing their annual quality audit. These are inspections carried out to ensure children are receiving the best possible lunch time experience. The inspector stated that he was very impressed with the overall quality and delivery of the lunches.**

Wow we raised an amazing £238.87 for World Down Syndrome Day. The charity was bowled over by the generosity and support of our families.

Remember to put your clocks forward this weekend.

### Maths Games Library

Please make sure you return all outstanding Maths Games on Tuesday.

### London Marathon

Mrs Durbridge, one of our parents, is running the London Marathon! She is raising funds for our PTA, which will continue to ensure teaching and learning at school is complimented by a variety of enrichment opportunities and resources. Anything you can spare will be greatly appreciated.
