Happy Birthday

Healthy Bodies and Happy Minds

Let us introduce you to our very first , whole school theme; Healthy Bodies and Happy Minds. Throughout the first half of the summer term it will be our whole school focus to learn about keeping ourselves healthy and happy, including supporting others around us, learning to show empathy, consideration and respect.

The children will be learning to give themselves positive affirmations and think about self-esteem and resilience.

We will be considering our physical as well as our mental fitness. Eating well, exercising, mindfulness and relaxation, all important parts of every day.

If you think you can help us with this theme, if your job involves helping others, keeping safe or you want to share a mindful practice with us, let us know.

After School Clubs

Remember clubs start on Friday 26th April .

Please make your payments as soon as possible, if you have not already done so.

PTA News

Thank you to everyone for your donations towards the Mothers Day Surprise Event. We hope all the children had fun making their gifts. The event raised over £330 for the PTA.

A fantastic amount.

The next PTA meeting will be held at the start of the Summer Term, date to be confirmed.

This will be published in the newsletter.

Well done to everyone who took part in the Big Pedal Challenge.
