## Healthy Bodies and Happy Minds

Our new theme has got off to a very active start! Year 2 enjoyed their scooter training on Wednesday, when they learnt how to use a scooter brake properly and how to be safe around traffic by recognising what different rear car lights mean.

In the London Marathon assembly today we had two athletes visiting, Phoebe and Debbie Steer, who talked enthusiastically about their marathon experiences. Debbie has run 16 marathons and Phoebe, who has just turned 20, is about to run her second London marathon!

On Sunday Mrs Durbridge will be taking part in the London Marathon and fundraising for the school. We all wish her the very best of luck.

All the children and staff came to school today dressed in their sports kits and donated to her fundraising.
