Happy Birthday

Isabelle A, Rebecca, Oliver R, Grace, James B, Alex L, Henry W,
Sebastian D, Obi, Miss Earnshaw

Transition Day

Everyone spent a fun filled morning in their new classroom with their new teacher and teaching assistant on Thursday. The emphasis for these meetings was on building relationships and getting to know the expectations for September and the new school year.

Year 2 enjoyed their morning and lunchtime at the Junior School and all seemed a little more **'grown up' on our walk back to school. The chicken pie was different to ours and Amber wants the Summer Holidays to be shorter this year so she can be at the Juniors even sooner!**

Hands on Science

This week we had visits from Scientists!

Y2 became crime scene investigators analysing clues, deciphering fingerprints and uncovering the culprit.

Y1's workshop was all about our bodies and keeping healthy. They watched the fatty oil drip from a pringle!

FS2 and FS1 made rockets and learnt about 'chemical energy'.

Thank you to Miss Suttle for organising our Science Days and getting us all thinking.

Wow!

This week we received a very generous donation from Jo Woodworth who worked in the school office until July 2015.

Her donation will be used to support our ongoing relationship with Kathryn Holt (storyteller) throughout the 2019/2020 academic year. Jo's donation will enable Kathryn to come to school on a regular basis to work with children; developing their vocabulary and story telling skills in the most exciting and hands on way.

Jo is a big fan of literature and is delighted that this is how we have chosen to use her donation.

Heartwood, Clarence and Verulam Class went on a school visit to Cassiobury Park on a yellow coach. When we got there we played games, went to the park and went on a scary zip wire. We had a yummy lunch and went in the water park for the rest of the day. Finally it was time to come home and because it was a busy day some people fell asleep on the coach.
Written by Anushka, Lily, Leo and Alexandra.

Mckenzie (V): "I loved the water and I got soaking wet which was so funny, and I liked the lunch."

Maisie (V): "I really liked the water park because I got to swim in it."

Blythe (C): "I had fun splashing in the water."

Paloma (C): "It was terrific."

Johnny (H): "I enjoyed the splash park and how you can get wet. "It's like a miracle you get wet."

Alicia (H): "I liked watching out the window when we were going."

Thank you to staff and volunteers for making this possible.

Library Books

Please check at home and return all outstanding library books before the summer holidays.

Please note the change of date for the parent volunteers' afternoon tea. If you are a regular volunteer you can expect a formal invite next week. We can't wait to say thank you to you for all your hard work.

Please note that nail varnish is **not** part of our school uniform. All varnish needs to be removed before coming to school on a Monday morning.

Thank you to the PTA

This week we received multiple copies of the book '[Will you be my friend?](#)' by Molly Potter, thanks to the PTA. The book covers a range of themes to help children work through the trials of friendship. We highly recommend it for all Infant age children.

The PTA will be holding a second hand uniform sale on Friday 19th July at 3pm on the playground.

They are short of uniform for 3-5 year olds. If you have any donations for this age range please bring them to the school office. Thank you.

Just to let you know that the PTA have now registered for the AmazonSmile scheme. You can support our charity by searching for 'Bernards Heath School Parent Teacher Association' before shopping. Please visit smile.amazon.co.uk for more information.
