Dear Parents and Carers,

### After School Clubs

Here are our after school clubs for children in **Year 1 and 2** for the Autumn Term. FS2 are invited to join clubs from January 2020. If you need to arrange after school childcare for FS2, Y1 or Y2 please contact [Challenge](#). The clubs start the week commencing Monday 16th September.

You will need to book your child/children straight onto an after school club through your Schoolcomms account (this can be accessed from a computer or your gateway app). **Payment must be made at the time of booking.**

**We are unable to accept childcare vouchers for any after school activity clubs that we run, however these can be redeemed with the Challenge after school childcare provision.**

Our aim is for as many children as possible to attend an after school club. The number of children attending a club will continue to be limited. Initially you will be able to sign your child/children up to attend **ONE** club only, to ensure everyone has an equal chance. Clubs will go live on Wednesday 10<sup>th</sup> July at approximately 1.00pm until Wednesday 17<sup>th</sup> July at 9.00am. Multiple bookings during this time **will be deleted**. As of Thursday 18<sup>th</sup> July, you are free to book any remaining clubs you wish.

If you do not have the technology to access the school gateway, or need any help booking a place, there will be two laptops available at school for you to use from 1.00pm on Wednesday 10<sup>th</sup> July.

The clubs we organise as a school provide children with opportunities to learn new, age-appropriate skills in many different areas of learning. We encourage children in our 3.15pm clubs to bring along a drink and a small healthy snack that can be finished in 5 minutes so as to get as much learning from the session as possible. Please remember we are a nut free school.

A brief outline of our clubs:

<b>Lego</b> Mrs Aide	Children will be exploring the many uses of Lego and taking on new Lego challenges. There will be a different theme each week ranging from creating mazes to building models.
<b>Origami</b> Mrs Aide	Children will have the opportunity to try their hand at the Japanese art of paper folding to create different models without the use of scissors or glue.
<b>Art, craft and relaxation</b> Miss Bushell	Children will enjoy painting and exploring in our wild garden as well as making crafts and relaxing to music.
<b>Football</b> Sports Coach	A hugely popular club choice.
<b>Tag Rugby</b> Sports Coach	Children will have the chance to develop passing, off-loading and decision-making skills whilst having lots of fun!
<b>Badminton</b> Sports Coach	Children will develop their hand eye co-ordination and learn a range of new racket skills.
<b>Rounders</b> Sports Coach	This is a massively fun game in which children will improve their team work and communication.

After the term has begun we cannot swap and change club places so please choose carefully.

With best wishes,

Mrs Rimmer
