Miss Flanagan, Mrs Morehen

### Covid-19

The impact of the lack of available tests and the significant delay in receiving results has certainly been felt in school this week. We have had over 15 children and families awaiting results and 4 members of staff unable to come to work as their children have been unable to attend school.

We certainly hope the system improves very quickly and the high level of absence for both children and staff can be remedied by a system which allows everybody to book a test and receive results within 48 hours.

Families will not be alerted each time somebody is tested or a member of staff is away from school but of course you will be made aware should we receive a positive result. We appreciate the level of disruption so many of our families have also felt this week and continue to thank you all for your support.

### Menu Changes

Mondays— we will be offering a tuna roll.

Thursdays— the Hot Quorn Wrap is a Quorn Nugget Wrap

Fridays—we will be offering a fish finger roll instead of a tuna roll

Today we said Good Luck to Mrs Parfitt who starts her Maternity Leave on Monday.

We will all miss her greatly and will be thinking of her and her family at this exciting time.

### Passwords

Your child's password is the most time effective way for someone out of your ordinary pattern to collect your child from school. If you have lost or can't remember your child's password you can get a reminder from their Class Teacher.
