Harvest Festival

Following our survey we have received permission for all of our children to be included in recorded events at school. Our Harvest performances meant a first trip to the hall for many of our Foundation Stage children who have so far been having P.E. out on the school playground. They did very well to arrive in a brand new setting and perform to another class who were able to provide an audience for them. We were very proud of all the children and we look forward to mastering our performing and recording techniques as the year progresses. Your donations for St Albans and District Foodbank were collected on Thursday morning by a very overwhelmed volunteer. Thank you for everything you provided to support our families and our local community at this time of year—it was all very gratefully received.

The deadline for ordering milk for the next half term is Thursday 22nd October. If you would like your child to have milk please make your payment of £10.20 via the school gateway.

Telephone Consultations with Mrs Steadman, our SENCO, will be available to book from 8.00pm today.

Do one thing today...

Whether it's going for a walk, learning a new skill or doing something creative, taking the first steps to getting support for yourself, or reaching out to someone else, take the opportunity to do one thing this World Mental Health Day (Saturday 10th October).

Today we said Good Luck to Mrs Parker who starts her Maternity Leave on Monday. We will all miss her greatly and will be thinking of her and her family at this exciting time.

Take a look at the videos below to learn more about:

These will show you what Childcare looks like whilst you aren't able to come inside. They're a great way for your child to share a little more about their day with you.
