

Foundation Stage – Nursery and Reception

Reporting to Parents and Carers on Learning and Progress 2019/2020

A calendar of all the essential dates for your diary - how and when we formally report to you on your child's learning and progress. This is in addition to the many informal opportunities for you to take part in school life such as, Grandparents Afternoon, Global Families, Class Assemblies, Performances and many more (found on the main date's list).

We have made every effort to ensure that there is a balance of times/dates to accommodate all families whilst also maintaining a healthy balance for our staff too. We send these dates to you now to give you as much notice as possible and appreciate every effort you take to attend.
