Emotional Outbursts

Did you attend the evening session at school on Wednesday this week? Let us know if you put any of the strategies discussed in place and experience success. Also let us know if you need any further guidance or support to help your child navigate their way through their biggest feelings and emotions. Your child's class teacher is first port of call. Although not available in the mornings, to ensure everyone is in promptly ready to start their day, teachers can be contacted on the door at the end of the day or call/email/pop in to the office to request a meeting away from the classroom door.

On Tuesday 11th October we will be saying goodbye to Mrs Mayhew, who is leaving us to take on a brand new career challenge.

Mrs Mayhew has been the first point of contact for our school for over 7 years, greeting everyone with a smile, even when they may not always be smiling back.

Mrs Mayhew, or Dawn as you may know her, has been a special part of our Bernards Heath Community and will be greatly missed. We wish Mrs Mayhew all the love and luck for the future.

RYDER CLASS ASSEMBLY
FRIDAY 7TH OCTOBER AT 9.00AM

Please remember one adult per child is invited to this assembly in the hall. Thank you

School Council

It was with great pride we unlocked the little red box and took out the school council badges last week. A big well done to everyone who stood in front of their class and explained why they thought they would be a great school councillor. The children not chosen this time were very resilient and joined in with congratulating the elected pair from their class.

We are looking forward to meeting over the coming weeks to discuss parent parking, sustainability and new parent tours.

Congratulations to our Autumn Term School Councillors

Mitchell: Zahra and Wilfy

Spencer: Sam and Naomi

Churchill: Carmen and Ollie

Alban: Elspeth and Joseph

Morpurgo: Orla and Flynn

SURPRISE STORYTELLER

Please contact your Class WhatsApp Groups or Class Rep if you want to change/cancel or book a slot.

We are unable to assist you with this in the school office.

Please avoid driving down Upper Culver Road at school drop off and pick up times. Manoeuvring is extremely dangerous with children walking, scooting and cycling to and from school.

Pollution is also a concern if adults are waiting in their cars with their engines running. There is a clear link between Asthma and air pollution.

Talking to your child about school...

Looking at the class blog with your child or asking open ended questions might help them share a bit about their life between 9am and 3pm 'What made you happy today?' 'Who smiled at you today?' Disclaimer: They still may tell you nothing, this is very common—school is finished and many children are ready to move on to what's right in front of them.
