Introduction to Maths at Bernards Heath

Have a look at our curriculum maps here to find out what we learn and when:

https://bernardsheath.herts.sch.uk/the-bernards-heath-curriculum/

Our calculation policy shows the methods we teach at school:

http://bernardsheath.herts.sch.uk/policies/

Our maths planning is based on White Rose Maths:

https://whiteroseeducation.com/

On the White Rose website there is a section for parents where you can watch home learning videos linked to our maths curriculum:

https://whiteroseeducation.com/parent-pupil-resources/maths/home-learning?year=year-1-new

There is also a free app for Key Stage 1 pupils that you can download for your tablet or phone:

https://whiteroseeducation.com/1-minute-maths

All children have a daily maths meeting. The planning for this is provided by NCETM, The National Centre for the Excellence of Teaching in Maths. At school we promote a Teaching for Mastery approach. You can find out more here:

https://www.ncetm.org.uk/teaching-for-mastery/mastery-explained/the-essence-of-mathematics-teaching-for-mastery/

Children in Key Stage 1 use Purple Mash. Purple Mash has a range of maths games you can try with your child. Ask your class teacher for the login details:
